Budget Message for 2022

Prowers County, Colorado

December 7, 2021

TO: The Citizens of Prowers County, Colorado

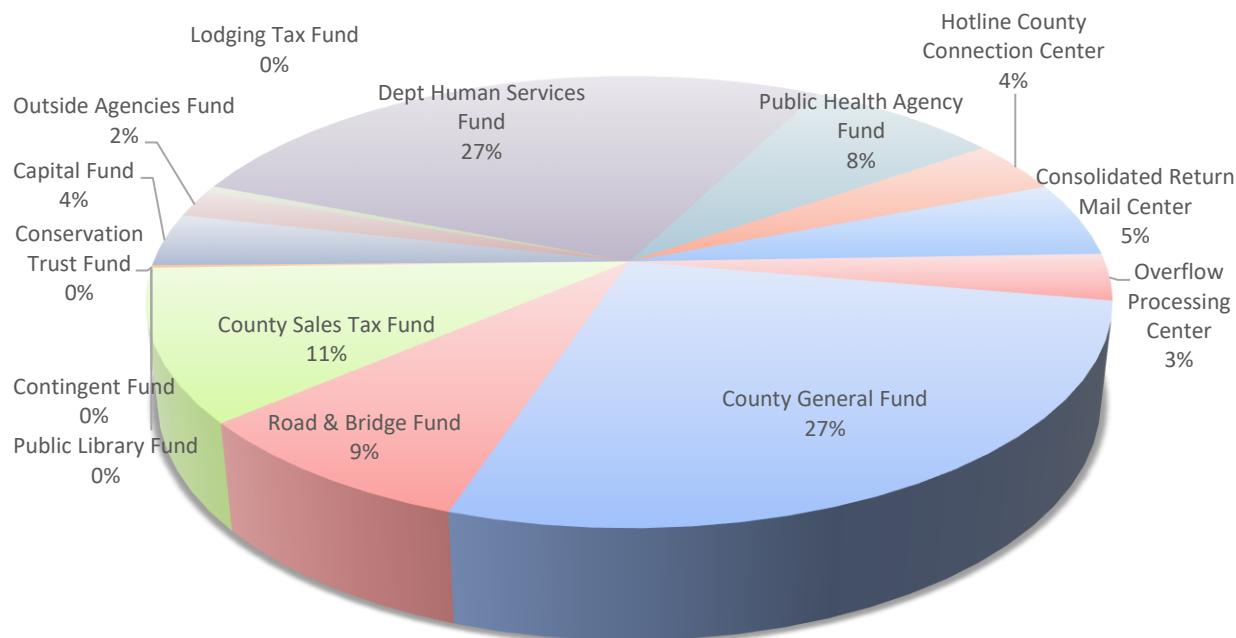

In accordance with C.R.S. §29-1-107, the Prowers County Budget for 2022 is hereby presented.

The County Mill Levy of 27.17 mills remains unchanged from 2021. The mill levies for each of the funds receiving property tax revenues are also unchanged from the 2021 Budget. The total taxable Assessed Valuation for the County has increased from \$145,078,272 last year to \$151,270,778. The entire County Budget for 2022 is \$39,713,407.

We continue to work with the Elected Officials in Prowers County and Department Supervisors to make sound, fiscal decisions relative to your tax dollars. We strive to keep expenditures to a minimum while maintaining mandated local government services, many of which are expanding without any supportive funding from the state and federal government levels.

The following is a breakdown of the various funds which comprise the total 2022 Budget:

2022 Prowers County Expenditures by Fund

General Fund

The General Fund includes all of the Elected Officials' departments, as well as many others and the expenses related to their respective operations. We anticipate that the 2022 General Fund expenditures will be \$10,867,491.

The General Fund supports entities such as the Prowers and Northeast Prowers Soil Conservation Districts, E911 Dispatch Center, Senior Centers in Holly, Granada, Lamar, and Wiley, and both the Sand and Sage Fair and Holly Gateway Fair.

Economic development will continue to be a top priority and we will budget \$20,000 in 2022 to support Prowers Economic Prosperity (PEP) and its efforts.

Local government provides services, and without our valued County employees, we could not carry out our statutory duties. In addition to continuing to provide 100% of the premium for a high deductible health insurance plan and other insurance benefits for each full-time employee, we will provide pay raises in 2022.

Road & Bridge Fund

Our Road & Bridge Department provides many important services for our citizens. We anticipate that Road & Bridge Fund expenditures will be \$3,402,072 in 2022. The fund balance is estimated to be \$7,191,301 at the beginning of 2022. For 2022 the Sales Tax transfer to this fund will again be suspended and may be reinstated upon future budget need.

Sales and Use Tax Fund

In 2022 we project that we will receive \$2,000,000 in sales tax revenue. We will continue to use sales tax dollars for capital improvements and tax relief to the General Fund.

Contingency Fund

The Contingency Fund was dissolved in 2018.

Public Library Fund

The Public Library Fund exists due to small amounts of revenue which continue to be received by the Treasurer and must be deposited in this Fund.

Conservation Trust Fund

The Conservation Trust Fund is supported by the distribution of Colorado Lottery dollars. The funds are utilized to maintain the digital TV Tower and building located near Carlton.

Capital Fund

We are fortunate to budget several projects in 2022 including improvements to the County Annex and Courthouse as well as for the Prowers Area Transit Dispatch Center.

Outside Agency Fund

The Outside Agency Fund is a pass-through fund for grants to Southeast Colorado Enterprise Development, Inc. (SECED) for which the County serves as the applicant agency and fiscal agent.

Lodging Tax Fund

The Lodging Tax Panel is dedicated to promoting our region by allotting dollars for marketing and advertising of various events. The Panel continues to appropriately administer the revenues generated by the Lodging Tax.

Human Services Fund

The Human Services Fund mill levy will remain set at 2.50 mills. This fund includes various important programs for our citizens. The fund balance is estimated to be \$585,613 at the beginning of 2022 with projected expenditures of \$10,564,578 which includes SNAP. For 2022, the Sales Tax transfer to this fund will again be suspended and may be reinstated upon future budget need.

Public Health Agency Fund

We anticipate that the Public Health Agency Fund expenditures will total \$3,063,384 in 2022. This Fund also includes numerous programs that provide services which are needed for our citizens. The fund balance is estimated to be \$901,889 at the beginning of 2022.

Hotline County Connection Fund

H3C maintains 24/7 call coverage for the Statewide Child Welfare Hotline as well as for numerous counties throughout Colorado. The fund balance is estimated to be \$507,297 at the beginning of 2022 with expenditures of \$1,502,676.

Consolidated Return Mail Center Fund

Prowers CRMC runs a centralized service center for Statewide returned mail from correspondence regarding benefits and verification of benefits. The beginning fund balance is estimated to be \$377,686. Expansion of the center, which provided additional jobs in the area, will contribute to the estimated expenditures for 2022 of \$2,131,265.

Overflow Processing Center Fund

In late 2021 Prowers County partnered with the State of Colorado to provide a centralized call processing center for all Medicaid and CHP+ backlog applications. The State provides funding while Prowers County furnishes the infrastructure and

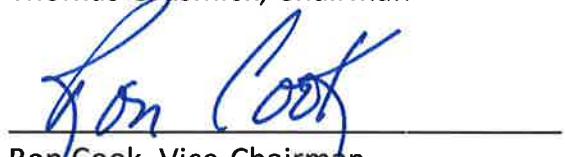

employees to provide the service. This is a tremendous boost to our economy with the addition of 25 jobs.

Prowers County maintains its accounting records on a modified accrual basis. Included in the 2022 Budget, dispersed throughout the various funds, is a cash reserve equal to at least 3% of the total budget. This meets the Amendment 1 Requirements.

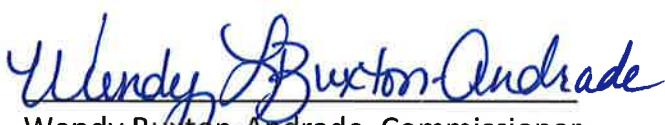

We commend the Elected Officials and County Department Supervisors for diligently managing their budgets and resources while delivering services. It is because of their commitment and sound fiscal management that we are able to confidently present the 2022 Budget complete with increased employee benefits and the tools, equipment, and training which will enhance all of Prowers County. We thank you for the opportunity to serve as your County Commissioners.
